STATE ROAD AND TOLLWAY AUTHORITY

INVITATION TO BID

PART 1-SOLICITATION, OFFER, AND AWARD

1. INFORMATION FOR BIDDERS

1.1 Purpose of Procurement

The State Road and Tollway Authority (SRTA) is issuing this Invitation to Bid (ITB) to establish a Contract for the purchase of paving services. All bids submitted pursuant to this ITB shall be made in accordance with the provisions of this ITB, including these instructions, the attached specifications and any appendices. The scope of work consists of furnishing all labor, machinery, tools, means of transportation, supplies, equipment, materials, safety equipment, services, and incidentals to provide paving services as provided herein.

The services to be performed shall generally fall into the following National Institute of Governmental Purchasing (NIGP) Code:

- 91336-Construction, Parking Lot and Alley

All respondents to this ITB are subject to the instructions communicated in this document and are cautioned to review the entire ITB and carefully follow the instructions herein.

Bids will be accepted until 2:00PM (EST), November 5, 2018. Instructions for requesting or accessing a copy of the ITB are included below.

1.2 SRTA Background

The State Road and Tollway Authority (SRTA) is a state-level, independent Authority created by the Georgia General Assembly to operate tolled transportation facilities within Georgia and act as the transportation financing arm for the State. SRTA manages the collection of tolls on Georgia’s Express Lanes System through the use of Peach Pass, the state’s all-electronic tolling technology.

As of 2017, SRTA and the Georgia Regional Transportation Authority (GRTA) jointly provide the services of both state authorities. This includes management of the Xpress Commuter Coach Service, which provides workers with reliable, stress-free commutes to and from major employment centers in Downtown, Midtown, and Perimeter Center as well as the administration of the Atlanta region’s vanpool program.

SRTA has the authority to finance any type of transportation improvement using traditional methods of financing such as bonds, loans, notes and equity partnerships. SRTA has issued Grant Anticipation Revenue Vehicle (GARVEE) bonds, underwritten by the state’s future federal transportation revenues, for non-toll projects on behalf of the Georgia Department of Transportation. As an issuer of tax-exempt bonds, SRTA is responsible for ensuring that all applicable U.S. Securities and Exchange Commission rules and federal law requirements are met. SRTA and the Georgia Department of Transportation have consistently demonstrated their ability to meet these requirements.

SRTA also administers the Georgia Transportation Infrastructure Bank (GTIB), a revolving infrastructure investment fund, much like a bank, that provides loans with attractive terms to state, regional and local government entities to fund much needed local transportation projects. GTIB grants are also awarded for selected transportation improvement projects on a competitive basis throughout the state of Georgia.

1.3 Restriction on Communications with SRTA

From the issue date of this ITB until the final award is announced, Bidders are not allowed to communicate, for any reason, with any SRTA staff regarding this ITB except through the Issuing Officer named herein, as defined in this ITB. Prohibited communication includes all contact or interaction, including but not limited to telephonic communications, emails, faxes, letters, or personal meetings, such as lunch, entertainment, or otherwise. SRTA reserves the right to reject the bid of any Bidder violating this provision.
Any oral communications will be considered unofficial and non-binding on SRTA. Bidders should only rely on written statements issued by the SRTA Procurement Specialist.

SRTA reserves the right to revise or amend the solicitation up to the time set for the submission of bids. Such revisions and amendments, if any, shall be announced by written addenda to the ITB and posted on the SRTA website as set forth below. In any case, the
bid submission deadline shall be at least five days after the last addendum, and the addendum shall include an announcement of the new date, if applicable, for the submission of bids.

Upon issuance, addenda will be considered part of the ITB and will prevail over inconsistent or conflicting provisions contained in the original ITB. SRTA will not be responsible for a potential Bidder failing to receive notification of the availability of addenda. It is the responsibility of the Bidder to check the SRTA website daily to ensure that it has received notification of any changes to the ITB.

Bidders shall acknowledge receipt of all addenda by completing and submitting Offer Document #7 (Acknowledgement of Addenda), as part of its ITB. SRTA’s receipt, review, evaluation or any other act or omission concerning any such information shall not be considered to create an acceptance of any obligation or duty for SRTA to prevent the disclosure of any such information except as required by the Open Record Act. Bidders that decide to submit information they believe should be exempt from disclosure under the Open Records Act shall: (i) clearly mark each page containing such information as confidential, proprietary or exempt, (ii) shall include such information in a different color from the rest of the bid text, (iii) shall state the legal basis for the exemption with supporting citations to the Georgia Code, and (iv) for records containing trade secrets, Bidders who wish to keep such record confidential shall also submit and attach to the records an affidavit affirmatively declaring that specific information in the records constitute trade secrets pursuant to Article 27 of Chapter 1 of Title 10 of the Georgia Code.

Pursuant to Georgia Law, if the information is requested under the Open Records Act, SRTA shall make a final determination if any exemption actually exists for SRTA to deny the request and prevent disclosure. SRTA will withhold such information from public disclosure under the Open Records Act only if SRTA determines, in its sole discretion, that there is a legal basis to do so.

All material submitted regarding the ITB becomes the property of SRTA.

Any activity pursuant to this ITB by any Bidder is governed by all applicable laws, including without limitation, State and Federal antitrust laws.
